③ I was offered help by a police informant name Oliver Rico Cowan whom I knew from the streets.

④ Oliver Cowan informed me that if I was willing to help the Homicide Detectives with some of their murder cases they would help me with my case.

⑤ I told him I knew nothing about any murder cases & he said don't worry about that because the Detectives would take care of all the information I needed.

⑥ They the Detectives would provide me with the necessary information, but first they wanted me to try and convince a couple prisoners to tell me about these cases Murders only.

⑦ Later that day a Detective name James Fleming called myself and Oliver Cowan up to the intake area where

He asked me if I was ready to earn my keep.

⑧ I told him I thought I was already earning my keep by the other cases I was helping with.

⑨ Det. Fleming ask which one of us between Oliver Cowan & myself wanted to take the Jacino Hamilton case.

⑩ Oliver Cowan volunteered to take the case and that's when I saw Det. Fleming give Oliver Cowan a pre-written statement.
